## for the following articles:

Readymade garments (Tops & Bottom including Denim Dungarees, Short Dungarees, Dresses Pants, Short Jackets, Bermuda for Boys, Girls, Mens and Ladies) made of bleached and dyed 100% Cotton, cotton/polyester and cotton/elastane knitted fabrics; indigo & black sulphur 100% cotton, cotton/elastane and cotton/polyester/lycra® denim fabrics; white and dyed 100% cotton, cotton/polyester and cotton/spandex woven fabrics. Including accessories like sewing & embroidery thread, buttons, rivets, woven & printed labels, tapes, interlining, pocket fabric fusing and zippers. Partly based on pre-certified material according to Oeko-Tex® Standard 100.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**The certificate 2013PK0119 is valid until 30.09.2018**
